Pennsylvania Juvenile Officers Association  
Encouraging Social, Charitable and Educational Activities Among Law Enforcement Agencies

The Pennsylvania Juvenile Officers Association (P.J.O.A.) was founded in Luzerne County on November 17, 1978 by a dedicated group of Pennsylvania law enforcement officers after attending an International Juvenile Officers Association conference.

The PJOA is an organization dedicated to improving the proficiency of law enforcement in the performance of their duties relating to juveniles. PJOA also encourages social, charitable, and educational activities among law enforcement professionals. The PJOA provides a forum for education and training. In addition, important and informative contacts are made through networks of professionals dealing in all aspects of juvenile work. Juvenile advocates, Juvenile Probation Officers, School Administrators, Educators, Children & Youth Services Caseworkers and Social Workers all share the common goal of PJOA in serving and protecting to day's youth.
